

# RII40709 Certificate IV in Civil Construction Supervision

## Your Civil Construction Supervision Qualification

Global Training Institute fits in with Your Organisation so that training has the least interruption to your critical activities.

Options include

- ✓ On job training and assessment
- ✓ Come to your worksite
- ✓ Free call number for help
- ✓ Comprehensive learning material
- ✓ Self-paced audio and visual material
- ✓ Recognition of your current and prior experience and learning
- ✓ No exams
- ✓ As a guide, qualification can be completed within 8 months

Our Trainer has had extensive experience in civil construction and training.

Shane holds an Associate Diploma in Civil Engineering as well as a Degree with Main Roads and private experience. Training experience includes Government Departments, Aboriginal Groups, Private Companies and Not-For-Profit Organisations.

Shane is very 'hands-on' and 'practical' coming from a labouring background.
